MEETING AGENDA

February 21, 2006

Highlights from our last meeting

January 24, 2006

Reverend Leslie Stacks presented a review of the roundtable discussions from The Foundation of the Carolinas dinner last December. If you weren't able to attend, the dinner was for the members of our community. A facilitator at each table asked questions about our community concerns and opinions.

In summary, we are a strong and proud community. We celebrate our diversity and love our proximity to uptown Charlotte. We are excited about new retail shopping coming to the community and thankful that we have recreational and educational opportunities for our children.

A copy of all the findings is available from Reverend Stacks.

Meeting Minutes – January 24, 2006

New Business

Reverend Leslie Stacks addressed the group about findings from the Foundation for the Carolinas Dinner at Christ Presbyterian Church, December 6, 2005 at 6:30 pm.

Mark your calendars for the rededication of the Dowd House on April 22, 2006. The community plans a street party in conjunction with this event. Volunteers needed.

Community Updates

Public Safety Report from Scott Anderson – two arrested for violating the exclusion zone. Home break-ins are down. Remember to always call 911 when you see any suspicious activity.

Introduction of Police Captain Doug Gallant. Captain Gallant was recently assigned to our division.

Community Grant – next months meeting reminder postcard will have a new look. The color postcard card will feature Camp Greene logo. Also, look for a newsletter to be in your mailbox soon. The newsletter is designed to be informative and entertaining. If you have any suggestions for content, let your board member know.

Community Suggestions – Spring or Fall group yard sale, 'clean sweep' beautification program, art festival. All are great ideas that need further investigation

Many thanks to Jim Zeaman and Rick Baxley. Jim spent countless hours on his computer getting our logo and the postcards ready for the printer. Rick has been working tirelessly on his computer to get the community website up and running.
