NEIGHBORHOOD ASSOCIATION

MEETING AGENDA

November 21, 2006

Highlights from last months speaker, Heidi Kimbell with Neighborhood Watch

Heidi Kimbell with the Charlotte Mecklenburg Neighborhood Watch Program spoke to the community about getting a watch started and what's involved with maintaining the watch.

Neighborhood Watch is designed so that each street has a 'Captain'. All questions, comments, and concerns are brought to your street captain. The captains in turn meet with each other and share their streets ideas and concerns. They can then formulate a response as a group.

In order to get the Neighborhood Watch Program going we need involvement from the community. We need volunteers for each street and the cooperation of the residents on their streets. This program takes commitment from the residents. Anyone willing to volunteer see Brian at the meeting.

Meeting Minutes – October 17, 2006

New Business

- Many residents expressed their desire to start a Neighborhood Watch Program. We have the information, now we need the commitment of the community to get the program going. We need volunteers from each street to be 'Block Captains'. See Brian if you would like to volunteer.

Community Updates

- Community water, sewer, curbing, and sidewalk installation is on schedule. You will continue to see workmen in the community until next Fall. Should you have any problems with the construction call Matt Gustis at 704-336-6138
