NEIGHBORHOOD ASSOCIATION

MEETING AGENDA

January 20, 2009

Prevent Car Thefts

Did you know a vehicle is stolen every 20 seconds in the United States? Did you know 12 vehicles are stolen every day in Mecklenburg County?

Now the weather is cooler and the mornings even colder, we would like to remind everyone about car thefts. Please do not start your car in the mornings and leave it to warm while you return inside to your residence or leave your vehicle running while inside of a business.

This is just a friendly reminder of prevention for all our residents.

We also would like to remind you that if you do leave your vehicle running and unattended in a public vehicular area, you can receive a citation for violating that criminal offense. Please be safe and do your part by not being a victim.
