NEIGHBORHOOD ASSOCIATION

## MEETING AGENDA

**March 17, 2009**

**Happy St. Patrick's Day!**

### **Dr. Sorensen of UNCC spearheading community revitalization projects**

Dr. Sorensen is heading a group of students which are working with targeted communities to help with needed services. Ms. Sorensen worked on this same type of project when she taught at the University of Illinois. There she worked in the blighted tenement housing in East St. Louis.

Currently her students are working with the Enderly Park community. Eight students are helping with clean-up of trash being dumped in the community. Charlotte Urban Ministries is assisting by providing access to services and to help with building improvements.

There is a possibility that in an upcoming semester Dr. Sorensen's students may help our community. Suggestions for needed improvements were: mentor students to prevent dropping out and helping build a garden.

We will stay in touch with Dr. Sorensen and welcome any help UNCC can provide.
