MEETING AGENDA

March 18, 2008

Community Clean-Up A Huge Success!

Despite the rain, the community clean-up was a huge success again this year.

A very special thanks to everyone in the community who volunteered plus our friends from Warehouse 242, Christ Presbyterian Church, and Keep Charlotte Beautiful.

We collected a significant amount of trash and debris from within the community.

Installation of Community Signs

The new community signs and banner posts are ready for installation. We will pick a couple of Saturdays to install the signs. If you are available to help, call Brian at 704-506-8036.

Meeting Minutes – March 18, 2008

Community Updates

- ❖ Site work is still under way at Bryant Park. All the buildings have been demolished and grading is taking place. In the coming months we will have a spokesman for Merryfield Partners at the meeting to show their plans for the development.
- ❖ Bryant Park, the residential portion, should be starting soon. Installation of new roads and reworking the existing roads will take place first.
- ❖ Solid Waste Services spoke at our meeting about trash disposal. If you see trash sitting in front of a house you can call 311 or go online at www.CharMeck.org to schedule a pick-up even if it isn't your house. Charlotte Solid Waste Services would like to schedule a special training session for our community in how to effectively patrol the community and keep the community beautiful. If you would be interested in attending a training session, call Brian at 704-506-8036.
- ❖ Police Safety report for February 2008 –
 - Domestic shooting on Garibaldi is result of ongoing dispute between neighbors.
 - Auto theft is rising. Keep you car doors locked and do not leave any valuables in your car. It's always better to park in a driveway than on the street.
 - Working on drug houses on Remount and Columbus Circle. While it appears to be going slow, progress is being made.
