NEIGHBORHOOD ASSOCIATION

MEETING AGENDA

October 16, 2007

Community Blood Center

Lori Irvin with the Community Blood Center of the Carolinas spoke to our group about the importance of giving blood. The community Blood Center is one of 78 non-profit centers which collect 42% of the nations blood supply. All the blood collected stays within the Charlotte community.

The blood you give will save a life. Only 34% of the population is eligible to give blood and of that 34% only 5% do give. If you are able to give, please do.

The Community Blood Center was at our Fall Festival and Yard Sale and collected 8 pints of blood.
